

# Sunset Cove Homeowners Association

February 2023 SCHOA  
“Quarterly Newsletter”

Official Publication of the Sunset Cove HOA

# From the President

Hi all, now that 2022 is in the books I can honestly say that we are looking forward to 2023. It's been an interesting year to say the least. Our Community and City has made huge strides getting things back on track after several years of navigating an unfortunate pandemic. Its good to see Washington Park bustling with campers, boaters and outdoor enthusiasts in general. Its also great to see local businesses thriving again after surviving the pandemic and its effect on business and commerce. As things continue to open up the SCHOA Board will keep you abreast of any changes to our operating structure along with the opportunities we see impacting Sunset Cove. We are however getting back to what I anticipate will be a new normal for all of us.

As a group the SCHOA Board has re-aligned its communication medium(s) and feels good with the go forward plan utilizing a Zoom platform for Annual Meetings and bi-monthly Board Meetings. We will continue to use such mediums as cell phones, conference calls, emails and one on one contact in smaller groups where and when necessary. We have adapted well and are pleased that SCHOA business has been conducted efficiently. The Board has and will continue to function at 100% to serve the needs of all SCHOA owners.

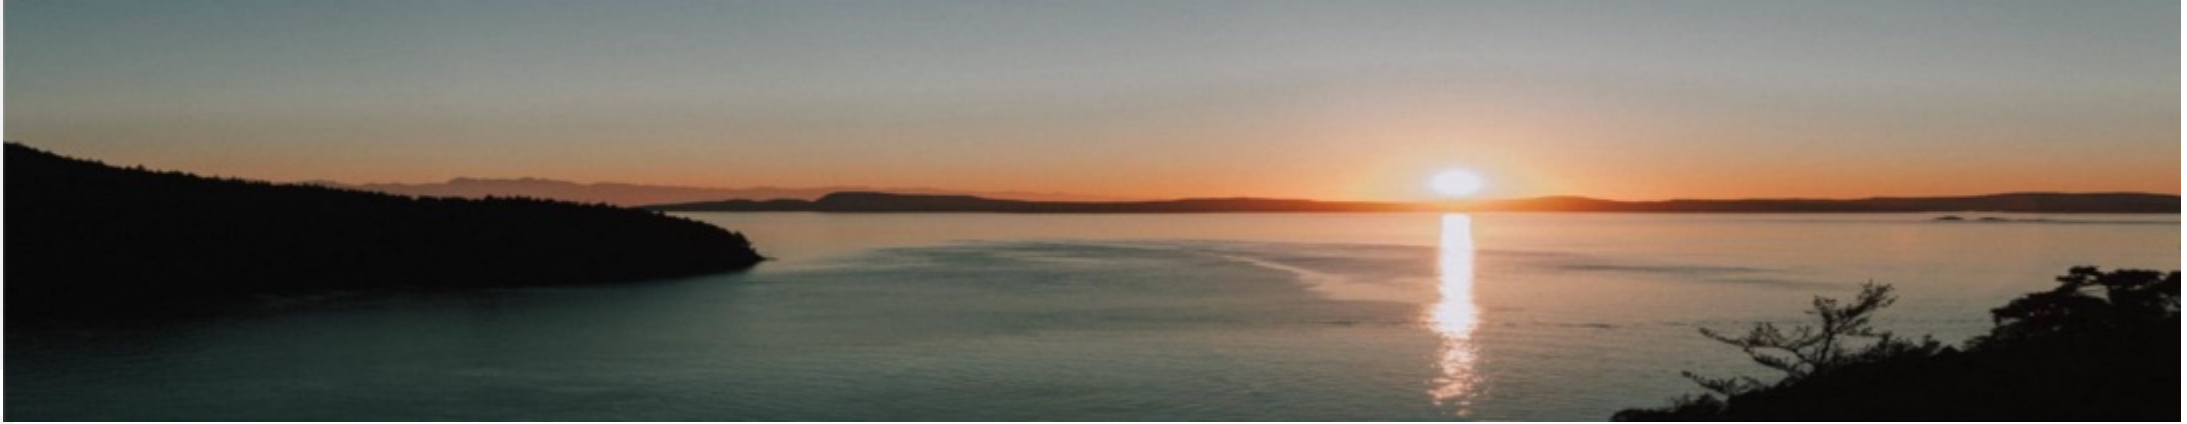

**Doug Berard**

**President, Sunset Cove Homeowners Association**

(Email us at [board@sunsetcove.org](mailto:board@sunsetcove.org) )

# About the SCHOA

## ***Sunset Cove Homeowners Association***

Located in Anacortes, WA, at the western edge of Fidalgo Island, Sunset Cove is uniquely situated with views of the San Juan Islands, Rosario Strait and Burrows Bay. Sunset Cove owners enjoy the privilege of adjoining beautiful Washington Park with miles of beaches, trails and picnic and camping sites.

The entire Sunset Cove community consists of Washington Park Estates (homes along Washington Blvd), Sunset Cove Estates (homes along Washington Court) and The Crest at Sunset Cove Condominiums, The Gardens at Sunset Cove Condominiums and Doe Run at Sunset Cove detached Condominiums all along Sundown Court.

The Sunset Cove Homeowners Association (SCHOA) represents all of the aforementioned areas held within the Sunset Cove community. The Crest, The Gardens and Doe Run each have their own HOA's. The SCHOA in totality represents the entire development taking care of the common areas as well as common issues.

Welcome to all our neighbors, new, established and those who are entertaining a move to Sunset Cove!

# 2023/2024 SCHOA Board

## 2023/24 Board of Directors by Position:

- President-Doug Berard, The Gardens resident
    - ❑ Term ends 12/31/23
  - Vice President-Kathy Edmonds, WA Park resident
    - ❑ Term ends 12/31/24
  - Secretary-Open
    - ❑ Term ends
  - Treasurer-Dawn Bachmann, Doe Run resident
    - ❑ Term ends 12/31/23
  - ARC Committee Chair-Annie Hayes, WA Park resident
    - ❑ Term ends 12/31/23
  - Landscape Committee Chair-Claire Colson, WA Park resident
    - ❑ Term ends 12/31/24
  - Social /Publicity Committee-Team sport, all Board members
  - Retiring Board Member(s)-Daniel Allawatt and Steve Kripnner
- Thank you for your service!

**Note:** Our new 2023/2024 Board was announced at our Annual Meeting on Tuesday, January 24<sup>th</sup>, 2023.

## Current SCHOA Board Update(s)

The Sunset Cove HOA Board has had a difficult time finding volunteers to serve as Board Members. If you have an interest in serving a two-year term (we are currently in need of a Publicity Committee Chair) please email [board@sunsetcove.org](mailto:board@sunsetcove.org). We would be happy to answer any questions you might have. The Board meets every other month via Zoom to discuss SCHOA business and future planning needs. Our HOA cannot function without volunteers.

Our 2023/2024 Board looks forward to serving the residents of Sunset Cove. As with past Boards, we anticipate and look forward to working with our community and our City to keep our neighborhood moving forward addressing issues and opportunities as they arise.

**Doug Berard, President Sunset Cove HOA**

# 2023 SCHOA Board Meeting Dates-Committee Chair Updates

## 2023 SCHOA Board Meeting Schedule-Zoom Platform

- January 24th 2023, 7pm pst-Annual meeting
- February 18th 2023, 9am pst-Bi/monthly meeting
- April 22nd, 2023 9am pdt-Bi/monthly meeting
- June 24th 2023 9am pdt-Bi/monthly meeting
- August 26th 2023, 9am pdt-Bi/monthly meeting
- October 14th 2023, 9am pdt-Bi/monthly meeting
- November 11th 2023, 9am pst-Financial/Budget review
- January 23rd 2024, 7pm pst-Annual meeting (anticipated date and Time)

**NOTE:** Bi/monthly meeting dates and times are finalized  
2 months in advance and posted on the SCHOA website

## Treasurer Update

- Total assets on hand as of January 1<sup>st</sup>, 2023 are \$55,595. Working balance \$16,615, unallocated reserve balance \$31,838, WA Blvd median project reserve balance \$7,142
- Our 5 year strategic plan addresses the timing of projects that would impact our reserve balance(s). Mailbox replacement remains a concern with an estimated cost of \$20k
- As of mid January we have received the vast majority of our HOA dues, we anticipate the balance by January month end
- We have larger landscape projects completed, pending or under review this year which include removal of trees at risk, Observation Ave storm pond cleanup, WA Court circle area refresh, Sundown Court circle plant replacement and potential lighting upgrades in the WA Blvd median
- SCHOA resident directories will be updated at the end of January and can be found under the password protected portion of the SCHOA website

**Dawn Bachmann SCHOA Treasurer**

# 2022 SCHOA Board Meeting Dates-Committee Chair Updates

## Landscape Committee Update

- The Board has decided to continue using Pro-Scapes as our HOA communal landscape management company. The contract will start March 1st. Final details are still being worked out
- Sunset Cove HOA is surrounded by buffers that we maintain, and those of other entities. The committee will post a map of the adjacent buffers with contact information of whom to talk to regarding problem vegetation
- The native plant list will undergo updates and enhancements during the 1st quarter. We will add additional deer resistant plants and other species that do well in our neighborhood. If you have a plant type in your yard that grows well and tolerates occasional deer browsing, please let us know!
- Replacement of the plants that died in last years cold snap will be evaluated this quarter. Planning is underway, and most likely will entail the volunteer opportunity to assist with the planting of new vegetation. Please let us know if you are interested in assisting with this project and future projects

**Claire Colson**

**Landscape Committee Chair**

## Landscape Committee Update cont'd

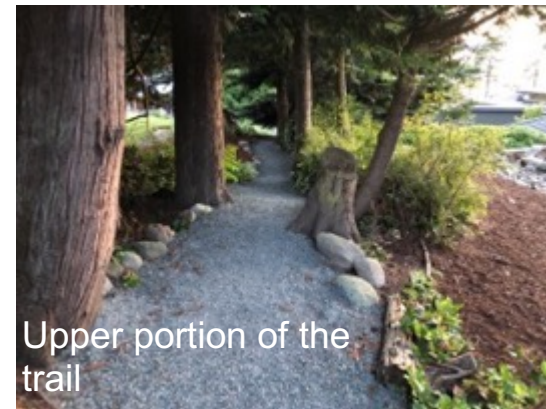

- Gazebo trailhead revision pics, Q3 & Q4 2022

of Washington BLVD

Mud and roots have been  
covered by mulch and  
gravel

Upper portion of the  
trail

River rock swale and  
large bark to  
prevent erosion

# 2022 SCHOA Board Meeting Dates-Committee Chair Updates

## Architectural Review Committee Update

- Sunset Cove Construction Update
  - Lot #SCE 6 & 17 construction not started
  - Lot #WPE 6 construction completed
  - Lot's #WPE 9 & 10 (combined lots) under construction
  - Lot #WPE 27 & 28 construction completed
- For more information regarding the Architectural Review Committee (ARC) and its function can be found in the CC&Rs section III through VI.
  - Section III- Architectural Review Committee overview
  - Section IV-Approval Requirements
  - Section V-Building Restrictions
  - Section VI-Land Use Restrictions

**Annie Hayes ARC Committee Chair**

## Publicity Committee Update

- Our quarterly newsletter will continue as usual leveraging information from the SCHOA, Skagit County, San Juan Islands, and the City of Anacortes
  - Anticipated publication dates
    - ✓ First Quarter-February 2023
    - ✓ Second Quarter-April 2023
    - ✓ Third Quarter-July 2023
    - ✓ Fourth Quarter-October 2023
- We anticipate a summer (2023) gathering/picnic at either WA Park or the Sundown Court circle. Stay tuned for logistics, we want to be mindful of the most up to date health and wellness information provided by city and state officials
  - Casual get togethers are at our owner's discretion
  - Jackie Etsell has party supplies available when the time comes that we meet as a larger group

**SCHOA Board**

# Neighborhood Updates

- As Winter continues, we are still dealing with waning daylight, black ice and less than desirable driving conditions. With few streetlights let's be mindful of the speed limit in our community which is 25 MPH. We've also got kids and adults playing in the streets which supports driving at the speed limit or below.
- Yard maintenance-As temps begin to increase later this winter and Spring it becomes increasingly important to stay on top of yard maintenance and storm damage from downed limbs, old yard debris and dead or dying plants. Mowing, pruning and debris removal from your yards is a must. Should you be struggling with yard maintenance the Board can recommend a number of local landscapers and maintenance companies to use.
- Habitat for deer-We all enjoy seeing deer in the immediate area. That said, let's not make it a practice to feed them. Rats, mice, etc. also like what deer eat; let's avoid an infestation by not feeding them.

- Trash disposal and pick up-Friday is trash pick up day for our neighborhood. Let's respect the appearance of Sunset Cove and bag all trash for pickup. Let's also be mindful of returning trash cans to an area on your property not visible to the public. For large trash and debris removal you can also use the following facility:

***Skagit County Recycling and Transfer Station***

***14104 Ovenell Rd***

***Mount Vernon, WA 98273***

***(360) 416-1570***

- Our street trees were pruned in September of 2022 by a group of neighborhood volunteers. A big shout out to Steve and Linda Krippner, Paul Allen, and Claire and Carl Colson for their help. Volunteers play a big role keeping our community looking great and safe for all residents.

# Neighborhood Updates

- Sidewalk clearance for walkers-Its that time of the year when our daylight hours are shorter and the weather is a mixed bag of cold and rain. Residents still like to get out and walk pet's, hike and look for general exercise traversing the neighborhood.

If you have plantings that encroach onto the sidewalks let's be mindful of others and prune them back for ease of access. It's a great time of the year to be outside enjoying the neighborhood.

- Construction update-Currently there is 1 home under construction (combined lots WPE 9 & 10). Let's be mindful of any construction debris that you encounter in the street or on the sidewalks and move it back onto the lot(s). Nails, screws, utility knife blades etc. should be discarded in the trash receptacles located on the lot(s). Thanks in advance for your help.
- Pets-For those of us that walk pets in the neighborhood it is our responsibility to clean up after them. Let's all pitch in!
- The mailbox locks have just been lubricated for the Fall and Winter seasons. If you have problems with your lock, please email the Board at [board@sunsetcove.org](mailto:board@sunsetcove.org).

- Observation Ave. fire access lane-The City of Anacortes was out in Sept to cut back the brush in the fire access lane and install a chain fence to prohibit motorized vehicle access. Let's be mindful of this area as it is part of our community and HOA.
- Pickleball Courts-For those of you that enjoy the game of pickleball there are 10 covered courts located at the Blackburn Pavilion in Mount Vernon, 2405 E College Way. Free and open to the public on a daily basis. Seven courts are reserved for members of the Skagit Valley Pickleball Club during morning and afternoon blocks of time. The courts are otherwise available on a first come first serve basis.
- Several residents have noticed an increase in coyote sightings in the recent past. Like other canids, **coyotes don't hibernate**. They remain active throughout the year and increase their level of activity in the colder months. Coyotes are more active in the Winter not only because they spend more time searching for food but because their young disperse from groups which happens mostly from October to January. A reminder for pet owners, please be cautious. In the event of an of an immediate public safety issue, wildlife violation, or injured or dangerous animal, please call the WDFW Enforcement office at (360) 902-2936 or email [enforcement-web@dfw.wa.gov](mailto:enforcement-web@dfw.wa.gov), or call 911.

# Winter/Spring Best Practices

## Spring Maintenance Checklist

- Inspect gutters for debris and damage
- Inspect exterior windows and doors for damage and wear
- Inspect roof and siding for damage
- Inspect underground sprinkler system and make ready for use
- Inspect decks/railings and clean and or refinish as needed
- Inspect for pest infestations
- Clean out interior HVAC vents
- Change furnace filter(s)
- Change batteries in smoke alarms and carbon monoxide detectors
- Clean lint trap from dryer vent
- Tune up power equipment: Change oil, spark plugs, sharpen blades and chains, remove old gas before starting
- Check garden hose connections, insert new washers if needed
- Rake up debris, moss and dead grass from lawns
- Remove dead plants from landscape
- Fertilize lawn
- Add mulch to garden beds and other landscaped areas

## Spring Maintenance Checklist-cont'd

- Prune trees, shrubs & grasses growing into your house or garage
- Remove frost covers from exterior hose bibs when temps allow
- Clean grill(s) and check propane connection
- Fill or replace propane tank(s)

## Spring Necessities

- Shovel, rake and hoe
- String trimmer
- Lawn mower or equivalent
- Gas can(s)
- Pruner(s), lopper(s)
- Garden trowel, handheld rake
- Garden gloves
- Handheld weeder
- Knee pads
- Garden hose and hose reel
- Wheelbarrow
- Sun hat
- Protective eyewear

# Home Depot Garden Club 1<sup>st</sup> Quarter Planning

## January Garden Checklist

Get a fresh start to the new year and get inspired for gardening with this gardening calendar for January.

January is the perfect time to set your gardening goals and make plans for your garden for the upcoming season. Because winter makes your outdoor space look different, look at it through a new lens. Decide what worked in the garden and what did not. Make changes for success.

Test your soil for pH and give your dirt the amendments it needs before you begin planting anything.

Indoors, go tropical. Give yourself an escape this winter from the cold. Houseplants are nature's air purifier. Cyclamen, pictured above, brightens up the darkest winter days. Consider other easy houseplants in our list below.

While you're making a fresh start, why not pamper your hands and treat yourself to new gardening gloves and hand tools, such as trowels, soil scoops and hand weeders.

## Take Advantage of the Time of Year and Plan Your Spring Goals

### Set Goals, Make Plans for Your Garden

Now is a great time to set goals and make plans for your garden. See your outdoor space in a whole new light and make bold changes where they need to be made. Get inspired for the upcoming gardening season with a plan for your garden that enables you to eat what you produce and reduce food waste while attracting pollinators as such birds, bees and butterflies.

### Add Houseplants for Color Indoors

Because gardening moves indoors during winter, add beautiful tropical houseplants with lots of color. Decorating with houseplants isn't hard to do and it helps create a zen-like atmosphere inside your home. Try easy-care plants such as pothos, snake plants, spider plants, heart leaf philodendrons and peace lilies. An added benefit: houseplants improve indoor air quality. What's not to love?

### Purchase New Garden Tools

For the new year, pamper your hands in the garden. Buy yourself a new pair of gardening gloves and make a resolution to keep your hands protected while digging in the dirt. While you're at it, treat yourself to new gardening tools that help make gardening easier. Many new tools provide ergonomic comfort and features that reduce strain and stress on your hands and back.

# Home Depot Garden Club 1<sup>st</sup> Quarter Planning

## February

- Start tomato and other vegetable seeds in peat pots.
- Grow salad greens and herbs indoors with seed-starting trays.
- Apply pre-emergent to prevent weeds in lawns.

## March

- Build raised garden beds and cultivate vegetable garden beds.
- Perform a soil test in your garden and amend the soil with compost
- Plant spring-flowering shrubs like azaleas.
- Apply lawn fertilizer, repair and seed bare patches.

# Experience Anacortes

## Anacortes

Travel prep demands both planning and dreaming, and Experience Anacortes is your guide to get started doing both. Read on to discover some of the many things you can enjoy while visiting this vibrant seacoast town.

Anacortes, the crown jewel of Fidalgo Island, is conveniently situated halfway between Seattle & Vancouver BC, and is the destination point for the San Juan Islands and International Ferry runs. The island is known for its historic waterfront, 50-miles of hiking trails, and a mix of annual festivals.

Its year-round music scene is lively and visitors can soak up a range of tunes from rock to bluegrass to jazz at outside venues during the summer and restaurants and bars throughout the year. The culinary scene is ever-growing and you'll find a variety of restaurants with farm-to-table menus, scratch and house-made ingredients, and their specialties like BBQ, fusion, and rustic scratch.

# Experience Anacortes-Washington Park!

## Take a loop drive around the beautiful Washington Park Anacortes.

Washington Park is 1.5 hours north of Seattle, directly west of Anacortes overlooking the Rosario Strait.

It offers stunning views of the San Juan Islands around a 2.2 mile paved Loop Road.

Visitors can drive or bike around the one-way Loop Road, or park at the entrance and walk in. There's also a network of dirt trails, but these are not suitable for children due to sheer drop offs.

The day use area at the entrance has a boat launch, picnic tables, restrooms and a playground. Overnight camping is also available near the entrance of Washington Park.

# Experience Anacortes-Washington Park!

## The 5 Best Scenic Opportunities at WA Park

### 1. Follow the signs to the start of the Loop Road (2.2. miles).

The Loop Road begins just past the day use area and boat launch at Sunset Beach, on the western side of Anacortes. This day use area is the perfect place for a picnic, with gorgeous views, sheltered tables, lots of open space to fly kites, and a playground. You can also enjoy the beautiful beach.

### 2. Continue along the Northern side of Washington Park.

The first stretch of the Loop Road travels along the northern side of Washington Park, with peep through views of the coast through thick forest. This is a super narrow road, but thankfully it's one-way! The speed limit is only 10 miles per hour, and you will often encounter hikers along the road. There are a few dirt pull-outs for parking, leading to glorious views of Guemes Island, Blakely Island and Cypress Island.

# Experience Anacortes-Washington Park!

3. As the road winds around the western side of Washington Park Anacortes, there's a set of stairs down to a beach with tessellated rock formations.

# Experience Anacortes-Washington Park!

4. A grassed area soon becomes visible, with picnic tables overlooking Burrows Island. Burrows Island is just one of 172 islands in the San Juan Islands archipelago, and has a beautiful lighthouse, unfortunately not visible from the road. There are also distant views of Mt Erie, that you can drive to the top of!

# Experience Anacortes-Washington Park!

5. The southern section of Loop Road travels away from the coast to the interior of Washington Park through thick coastal forest, back to the parking lot.

# Experience Anacortes-Washington Park!

## Things to do near Washington Park

After visiting Washington Park at the west end of Anacortes, drive to the viewpoint at *Cap Santa Park* in Anacortes, for superb views of Mt Baker, the Cascades, and the marina.

Then drive 5 minutes south of Anacortes to the summit of Mt Erie, the highest point on Fidalgo Island. Continue south to Deception Pass, a spectacular strait between Fidalgo Island and Whidbey Island. Finish the day by having a meal at Anthony's Restaurant in Anacortes, with superb waterside views.

If you have a few more days, travel 20-minutes southwest of Anacortes to explore the gift shops, boutiques and galleries at La Conner, or take the ferry from Anacortes to *Orcas Island* or *San Juan Island*. Alternatively, cross the Deception Pass Bridge to Whidbey Island. Travel down Whidbey Island to explore the lovely villages of Coupeville and Langley, Greenbank Farm, the Lavender Wind Farm, and the lighthouse at Fort Casey.

# San Juan Islands

## What To Do In The San Juan Islands

Every island offers you an abundance of choices—luckily, you can't go wrong when deciding what to do in the San Juans! The shorter your stay in the islands, the more important it is to plan ahead. Booking activities, lodging, and dining in advance will make your trip run smoothly and you'll be more likely to get your first picks. Most tour operators have generous cancellation policies in case you need to make changes. (Check with individual companies to be sure of their policies.)

# WSDOT Ferry System

If you're heading to the islands plan ahead!

## Washington State Ferries

Getting here is half the fun aboard a Washington State Ferry! Take a scenic ride through the islands as you make your way to your final destination. You can drive your car right onto the boat, or board as a foot passenger and simply walk on. The ferries run year-round and there are several sailings each day to and from each of the four main islands - Lopez, Orcas, San Juan, and Shaw. An [interisland ferry](#) allows island hoppers to travel between the islands and an international ferry offers service to Sidney, B.C. March - December.

All San Juan Islands ferries depart from the Anacortes Ferry Terminal located at 2100 Ferry Terminal Rd, Anacortes, WA 98221. Allow a comfortable 2 - 3 hours to enjoy the drive and the scenery from Seattle or Vancouver B.C. Make sure this includes enough time to arrive 30-minutes before departure for your reservation check-in.
