

Sunset Cove Homeowners Association

April 2023 SCHOA
“Quarterly Newsletter”

Publication of the Sunset Cove HOA

Presidents Note

Hi all, hang in there, the winter weather is coming to an end and relief is in sight. Let's focus on outdoor activities such as yard cleanup and gardening, and then the fun stuff like golf, pickleball, boating, hiking and biking. As a community we've traversed the worst of the pandemic and have made it back to what many refer to as a new normal. Local businesses for the most part are back on track and seem to be thriving in spite of record inflation and an economy that is somewhat uncertain when it comes to interest rates, home sales and gas prices. As things continue to progress the SCHOA Board will keep you abreast of any changes to our operating structure along with the opportunities we see impacting Sunset Cove. Some of the opportunities we see this year are projects that will increase property values and visibly enhance our communities' aesthetics. Stay tuned for more information as our Board researches the projects that were discussed at our annual meeting along with others that were planned in advance.

As a group the SCHOA Board has re-aligned its communication medium(s) and feels good with the go forward plan utilizing a Zoom platform for Annual Meetings and bi-monthly Board Meetings. We will continue to use such mediums as cell phones, conference calls, emails and one-on-one contact in smaller groups where and when necessary. We have adapted well and are pleased that SCHOA business has been conducted efficiently. The Board has and will continue to function at 100% to serve the needs of all SCHOA residents.

Doug Berard

President, Sunset Cove Development Homeowners Association

(Email us at board@sunsetcove.org)

About the SCHOA

Sunset Cove Homeowners Association

Located in Anacortes, WA, at the western edge of Fidalgo Island, Sunset Cove is uniquely situated with views of the San Juan Islands, Rosario Strait and Burrows Bay. Sunset Cove residents enjoy the privilege of adjoining beautiful Washington Park with miles of beaches, trails and picnic and camping sites.

The entire Sunset Cove community consists of Washington Park Estates (homes along Washington Blvd), Sunset Cove Estates (homes along Washington Court) and The Crest at Sunset Cove Condominiums, The Gardens at Sunset Cove Condominiums and Doe Run at Sunset Cove detached Condominiums all along Sundown Court.

The Sunset Cove Homeowners Association (SCHOA) represents all of the aforementioned areas held within the Sunset Cove community. The Crest, The Gardens and Doe Run each have their own HOA's. The SCHOA in totality represents the entire development taking care of the common areas as well as common issues.

Welcome to all our neighbors, new, established and those who are entertaining a move to Sunset Cove!

- Social /Publicity Committee-Team sport, all Board Members

Note: Our new 2023/2024 Board was announced at our Annual Meeting on Tuesday, January 24th, 2023.

Current SCHOA Board Update(s)

The Sunset Cove HOA Board has had a difficult time finding volunteers to serve as Board Members. If you have an interest in serving a two-year term (we are currently in need of a Publicity Committee Chair) please email board@sunsetcove.org. We would be happy to answer any questions you might have. The Board meets every other month via Zoom to discuss SCHOA business and future planning needs. Our Board also works with Community Leaders to advance the interests of the City of Anacortes as well as the Sunset Cove neighborhood. Our commitment to City, County and State initiatives lends itself well to building needed infrastructure in and around Anacortes.

Our 2023/2024 Board looks forward to serving the residents of Sunset Cove. As with past Boards, we anticipate and look forward to working with our community and our City to keep our neighborhood moving forward addressing issues and opportunities as they arise.

Doug Berard, President Sunset Cove HOA

NOTE: Bi/monthly meeting dates and times are finalized
2 months in advance and posted on the SCHOA website

2023 SCHOA Committee Chair Updates

Publicity Committee Update

- Our quarterly newsletter will continue as usual leveraging information from the SCHOA, Skagit County, San Juan Islands, and the City of Anacortes
 - Anticipated publication dates
 - ✓ First Quarter-*"Posted on the SCHOA website"*
 - ✓ Second Quarter-April 2023
 - ✓ Third Quarter-July 2023
 - ✓ Fourth Quarter-October 2023
- We anticipate a summer (2023) gathering/picnic at either WA Park or the Sundown Court circle. Stay tuned for logistics, we want to be mindful of the most up to date health and wellness information provided by city and state officials
 - Casual get togethers are at our owner's discretion
 - Jackie Etsell has party supplies available when the time comes that we meet as a larger group

SCHOA Board

Treasurer Update

- Total assets on hand as of April 1st, 2023 are \$61,511.50. Working balance \$25,017.32, unallocated reserve balance \$29,351.91, WA Blvd median project reserve balance \$7,142.27.
- 2023/24 projects were discussed at the February 2023 Board meeting. Project updates will be part of the quarterly newsletter. The updates will include the research done, Board vote and the anticipated start date if approved
- We have larger landscape projects completed, pending or under review this year which include removal of trees at risk, Observation Ave storm pond cleanup, WA Court circle area refresh, Sundown Court circle plant replacement and potential lighting upgrades in the WA Blvd median
- As of March 1st, 2023 we have received all 2023 SCHOA dues assessments. Thanks to everyone for your prompt response
- SCHOA resident directories will be updated soon and will be available on the SCHOA website

Dawn Bachmann SCHOA Treasurer

2023 SCHOA Committee Chair Updates

Landscape Committee Update

- The Board has decided to continue using Pro-Scapes as our communal landscape management company. The contract started March 1st
- As discussed at our Annual meeting the Board will be researching several projects for the 2023 and 2024 time frames. Below are a number of the projects being researched:
 - WA Court circle refresh
 - Landscape lighting WA BLVD
 - Observation Ave retention pond cleanup
 - Sundown Court plant replacement
- To help research, facilitate and coordinate projects the Board is always looking for volunteers to serve on our standing committees. If you have an interest in volunteering your time, please email us at board@sunsetcove.org.
- As the weather warms up and your landscape becomes a priority, should you need a landscape maintenance company please reach out to the Board for recommendations

Claire Colson
Landscape Committee Chair

Architectural Review Committee Update

- Sunset Cove Construction Update
 - Lot #SCE 6 currently for sale
 - Lot #SCE 17 construction not started
 - Lot #WPE 6 construction completed
 - Lot's #WPE 9 & 10 (combined lots) construction completed
 - Lot #WPE 27 & 28 construction completed
- For more information regarding the Architectural Review Committee (ARC) and its function can be found in the CC&Rs section III through VI.
 - Section III- Architectural Review Committee overview
 - Section IV-Approval Requirements
 - Section V-Building Restrictions
 - Section VI-Land Use Restrictions

Annie Hayes ARC Committee Chair

Neighborhood Updates

- **General**-As spring begins, and daylight savings time starts our days will begin to seem longer with more daylight into the evenings. With more time for outdoor activities let's be mindful of the speed limit in our community which is 25 MPH. We've also got kids and adults playing in the streets which supports driving at the speed limit or below.
- **Habitat for deer**-We all enjoy seeing deer in the immediate area. That said, let's not make it a practice to feed them. Rats, mice, etc. also like what deer eat; let's avoid an infestation of rodents.
- **Pickleball Courts**-For those of you that enjoy the game of pickleball there are 10 covered courts located at the Blackburn Pavilion in Mount Vernon, 2405 E College Way. Free and open to the public on a 1st come, 1st serve basis. You can also join the Skagit Valley Pickleball Club which gives you access to tournament play and other pickleball related events. For local play in Anacortes there are 4 courts located at Clearridge Park, 4436 Blakely Dr, Anacortes 98221.
- **Trash disposal and pick up**-Friday is trash pick up day for our neighborhood. Let's respect the appearance of Sunset Cove and bag all trash for pickup. Let's also be mindful of returning trash cans to an area on your property not visible to the public. For large trash and debris removal you can also use the following facility:
Skagit County Recycling and Transfer Station
14104 Ovenell Rd
Mount Vernon, WA 98273
(360) 416-1570
- **Pets**-For those of us that walk pets in the neighborhood it is our responsibility to clean up after them. Let's all pitch in!
- **Landscape maintenance**-As temperatures start to increase it becomes increasingly important to stay on top of yard maintenance. Mowing, pruning and debris removal from your yard is a must. If you need assistance the Board can recommend a number of local landscape maintenance companies to use.

Spring Best Practices

Spring Maintenance Checklist

- Inspect and clean gutters
- Wash windows and screens and screen doors
- Power wash driveways and sidewalks
- Inspect HVAC system and perform annual maintenance
- Inspect decks/railings and clean and or refinish as needed
- Clean and stage outdoor furniture
- Treat exterior of foundation with pesticide to prevent infestation(s)
- Tune up power equipment: Change oil, spark plugs, sharpen blades and chains etc
- Remove old gas from power equipment unless previously stabilized
- Check garden hose connections, insert new washers if needed
- Remove dead plants from your landscape
- Prune trees, shrubs & grasses as needed
- Fertilize lawn with spring rated fertilizer
- Add mulch to garden beds and other landscaped areas
- Clean grill(s) and check propane connection
- Fill or replace propane tank(s)

Spring/Summer Garden Tool Necessities

- Round point shovel
- Bow and leaf rakes
- Garden hoe
- Spade
- String trimmer
- Lawn mower or equivalent
- Leaf blower
- Gas can(s)
- Pruning and lopping shears
- Soil knife
- Garden trowel, handheld rake
- Garden gloves
- Handheld weeder
- Knee pads
- Garden hose and hose reel
- Wheelbarrow
- Protective eyewear
- Trash and debris bags

Experience Anacortes

Anacortes

Travel prep demands both planning and dreaming, and Experience Anacortes is your guide to get started doing both. Read on to discover some of the many things you can enjoy while visiting this vibrant seacoast town.

Anacortes, the crown jewel of Fidalgo Island, is conveniently situated halfway between Seattle & Vancouver BC, and is the destination point for the San Juan Islands and International Ferry runs. The island is known for its historic waterfront, 50-miles of hiking trails, and a mix of annual festivals.

Its year-round music scene is lively and visitors can soak up a range of tunes from rock to bluegrass to jazz at outside venues during the summer and restaurants and bars throughout the year. The culinary scene is ever-growing and you'll find a variety of restaurants with farm-to-table menus, scratch and house-made ingredients, and their specialties like BBQ, fusion, and rustic scratch.

Experience Anacortes-Mt Erie

Mount Erie frames the skyline of Skagit County, known as one of the Anacortes area's most recognizable landmarks

- The mountain is believed to have been formed during the Jurassic Period and was named in modern times by members of the Wilkes Expedition in 1841.
- Since the 1960s, it has been a popular climbing spot in Washington State, offering stunning panoramic views of its surrounding areas from its summit.
- Its surrounding lands are operated as a city park by the City of Anacortes and are accessible by hikers throughout the year.
- Visitors can climb a moderately-strenuous trail to the top of the summit or connect to the Sugarloaf Summit Trail halfway through the climb for additional panoramic views.

Experience Anacortes-Rosario Beach

Rosario Beach is a beautiful sandy cove along the southwestern edge of Fidalgo Island, known for its extensive beachfront stretches and charming wildlife

- The beach area is believed to have been occupied for at least 3,000 years, originally used by regional Coast Salish Samish indigenous tribes as a hunting and fishing site.
- Today, the beach's Maiden of Deception Pass story pole carvings honor Samish legends connected to the beach area, a remnant of development of the area in the 1930s by the Civilian Conservation Corps.
- A former kitchen shelter developed by the CCC has been converted into a field classroom today.
- Gorgeous century-old trees frame the beachfront, while an overlooking meadowy bluff is populated by beautiful wildflowers throughout the summer months.

This hike is a flat 3.3 mile one way blacktop trail that starts at The Port of Anacortes and ends at March Point near The Shell and Tesoro Refineries. The trail has great views of Mount Baker, Fidalgo Bay and lots of blue heron, especially when the tides are low.

Rarely do hikers have the opportunity to traverse a magnificent bay on an abandoned railroad trestle, but this paved rail trail offers just that. Keep an eye out for marine life. You may see a sea lion staring back at you as you stroll across the trestle connecting the eastern and western shores of Fidalgo Bay.

The Tommy Thompson Trail starts at the intersection of 11th Avenue and Q Street in Anacortes. The blacktop heads south along Q Avenue. After 7 blocks, the trail heads diagonally east and the street changes names to R Avenue. After 0.6 mile, the trail passes the access point at the intersection of 22nd Street and R Avenue. There is a restroom here.

Heading south again, the trail passes a public restroom at 30th Avenue. In another 0.7 mile from 22nd Avenue, the trail reaches 34th Street. Continuing south, the trail traverses the western shore of Fidalgo Bay. Looking across the bay on a clear day, there are views of Mount Baker on the distant eastern horizon.

After another mile from 34th Street, the trail passes an RV park. A majestic totem pole stands next to the trail. After crossing Weaverling Road at the RV park, there is an ADA accessible port-a-potty next to the blacktop. Beyond the RV park, the trail heads in a southeasterly direction and crosses Fidalgo Bay on a rocky causeway and then a wooden trestle.

Your turnaround point is March Point Road on the eastern shore of Fidalgo Bay. The trail crosses an additional mile between the RV Park and March Point Road.

San Juan Islands

About the San Juan Islands

Say farewell to worry and stress and say hello to the mellow islands vibe, a temperate year-round climate, and long, lazy hours of doing just what you want. Count on temperatures around 70° in the summer and 40° in the winter. A happy confluence of weather systems also accounts for the high level of air quality you'll appreciate across the San Juan's. So, relax—you're on "island time" now!

WSDOT Ferry System

If you're heading to the islands plan ahead!

Washington State Ferries

Getting here is half the fun aboard a Washington State Ferry! Take a scenic ride through the islands as you make your way to your final destination. You can drive your car right onto the boat, or board as a foot passenger and simply walk on. The ferries run year-round and there are several sailings each day to and from each of the four main islands - Lopez, Orcas, San Juan, and Shaw. An [interisland ferry](#) allows island hoppers to travel between the islands and an international ferry offers service to Sidney, B.C. March - December.

All San Juan Islands ferries depart from the Anacortes Ferry Terminal located at 2100 Ferry Terminal Rd, Anacortes, WA 98221. Allow a comfortable 2 - 3 hours to enjoy the drive and the scenery from Seattle or Vancouver B.C. Make sure this includes enough time to arrive 30-minutes before departure for your reservation check-in.
