

Sunset Cove Homeowners Association

July 2023 SCHOA
“3rd Quarter Newsletter”

Publication of the Sunset Cove HOA

Presidents Note

There's nothing like the PNW in the Summertime, great weather and plenty to do. Let's focus on outdoor activities like flower and vegetable gardening, and then the fun stuff like golf, pickleball, boating, hiking, biking and more. As a community we've done quite well in the recent past relative to economic challenges, a long cold winter and wet Spring. Local businesses for the most part are back on track and seem to be thriving in spite of record inflation and an economy that is somewhat uncertain when it comes to interest rates, home sales and gas prices. As things continue to progress the SCHOA Board will keep you abreast of any changes to our operating structure along with the opportunities we see impacting Sunset Cove. Some of the opportunities we see this year are projects that will increase property values and visibly enhance our communities' aesthetics. Stay tuned for more information as our Board researches the projects that were discussed at our annual meeting along with others that were planned in advance.

As a group the SCHOA Board has re-aligned its communication medium(s) and feels good with the go forward plan utilizing a Zoom platform for Annual Meetings and bi-monthly Board Meetings. We will continue to use such mediums as cell phones, conference calls, emails and one-on-one contact in smaller groups where and when necessary. We have adapted well and are pleased that SCHOA business has been conducted efficiently. The Board has and will continue to function at 100% to serve the needs of all SCHOA residents.

Doug Berard

President, Sunset Cove Development Homeowners Association

(Email us at board@sunsetcove.org)

About the SCHOA

Sunset Cove Homeowners Association

Located in Anacortes, WA, at the Western edge of Fidalgo Island, Sunset Cove is uniquely situated with views of the San Juan Islands, Rosario Strait and Burrows Bay. Sunset Cove residents enjoy the privilege of adjoining beautiful Washington Park with miles of beaches, trails and picnic and camping sites.

The entire Sunset Cove community consists of Washington Park Estates (homes along Washington Blvd), Sunset Cove Estates (homes along Washington Court) and The Crest at Sunset Cove Condominiums, The Gardens at Sunset Cove Condominiums and Doe Run at Sunset Cove detached Condominiums all along Sundown Court.

The Sunset Cove Homeowners Association (SCHOA) represents all of the aforementioned areas held within the Sunset Cove community. The Crest, The Gardens and Doe Run each have their own HOA's. The SCHOA in totality represents the entire development taking care of the common areas as well as common issues.

Welcome to all our neighbors, new, established and those who are entertaining a move to Sunset Cove!

 - ❑ Term ends 12/31/24
- Social /Publicity Committee-Team sport, all Board Members

Note: Our new 2023/2024 Board was announced at our Annual Meeting on Tuesday, January 24th, 2023.

Current SCHOA Board Update(s)

The Sunset Cove HOA Board has had a difficult time finding volunteers to serve as Board Members. If you have an interest in serving a two-year term (we are currently in need of a Publicity Committee Chair) please email board@sunsetcove.org. We would be happy to answer any questions you might have. The Board meets every other month via Zoom to discuss SCHOA business and future planning needs. Our Board also works with Community Leaders to advance the interests of the City of Anacortes as well as the Sunset Cove neighborhood. Our commitment to City, County and State initiatives lends itself well to building needed infrastructure in and around Anacortes.

Our 2023/2024 Board looks forward to serving the residents of Sunset Cove. As with past Boards, we anticipate and look forward to working with our community and our City to keep our neighborhood moving forward, addressing issues and opportunities as they arise.

2023 SCHOA Board Meeting Dates

Current SCHOA Board Update(s)

If you want to find out more about Board opportunities and responsibilities please reach out to any member of our Board. 2024 Board member solicitation will begin earlier in 2023 than in years past. We want to insure the right fit for all open positions. In addition to talking directly with a Board member about opportunities in 2024 you can also email the Board at the Email address referenced earlier. Our HOA cannot function without volunteers.

Thanks for your help!

Doug Berard, President Sunset Cove HOA

2023 SCHOA Board Meeting Schedule-Zoom Platform

- January 24th 2023, 7pm pst-Annual meeting-Minutes posted
- February 18th 2023, 9am pst-Bi/monthly meeting-Minutes posted
- April 22rd, 2023 9am pdt-Bi/monthly meeting-Minutes posted
- June 24th 2023 9am pdt-Bi/monthly meeting-Minutes pending
- August 26th 2023, 9am pdt-Bi/monthly meeting
- October 14th 2023, 9am pdt-Bi/monthly meeting
- November 11th 2023, 9am pst-Financial/Budget review
- January 23rd 2024, 7pm pst-Annual meeting (anticipated date and Time)

2023 SCHOA Committee Chair Updates

Publicity Committee Update

- Our quarterly newsletter will continue as usual leveraging information from the SCHOA, Skagit County, Island County and the City of Anacortes
 - Anticipated publication dates
 - ✓ First Quarter-*"Posted on the SCHOA website"*
 - ✓ Second Quarter-April 2023-*"Posted on the SCHOA website"*
 - ✓ Third Quarter-July 2023-*"Posted on the SCHOA website"*
 - ✓ Fourth Quarter-October 2023
- We anticipate a summer (2023) gathering/picnic at either WA Park or the Sundown Court circle. Stay tuned for logistics, we want to be mindful of the most up to date health and wellness information provided by city and state officials
 - Once we've established a date for an SCHOA gathering we'll solicit volunteers to assist with preparation
 - Jackie Etsell has party supplies available when the time comes that we meet as a larger group

SCHOA Board

Treasurer Update

- Total assets on hand as of July 1st, 2023 are \$41,829.77. Working capital balance \$16,022.52, unallocated reserve balance \$25,807.25
- 2023/24 projects were discussed at the February 2023 Board meeting. Project updates will be part of the quarterly newsletter. We are pleased to announce that the WA Blvd landscape lighting project was completed in May at a cost of \$10,700.49 and the Observation Ave. detention pond cleanup was done in June at a cost of \$4,460.08
- We have larger landscape projects completed, pending or under review this year and next. They include removal of trees at risk in the buffer zones, WA Court circle refresh, Sundown Court circle refresh, buffer zone brush and debris removal and the WA Blvd median refresh
- In June several Board members met with representatives from the Conservation District of Skagit County to discuss fire safety in buffer zones C and D. Their report is under review to evaluate next steps
- SCHOA resident directories have been updated and can be found on the SCHOA website under protected documents

Dawn Bachmann SCHOA Treasurer

2023 SCHOA Committee Chair Updates

Architectural Review Committee Update

- Sunset Cove Construction Update
 - Lot #SCE 6 sold; construction not started
 - Lot #SCE 17 construction not started
- For more information regarding the Architectural Review Committee (ARC) and its function can be found in the CC&Rs section III through VI.
 - Section III- Architectural Review Committee overview
 - Section IV-Approval Requirements
 - Section V-Building Restrictions
 - Section VI-Land Use Restrictions

Annie Hayes ARC Committee Chair

Landscape Committee Update

- As discussed at our Annual meeting the Board will be researching several projects for the 2023, 2024 and beyond. Below are a number of projects that have been completed and some that are being researched:
 - WA Court circle refresh-Phase 1 cleanup complete June 2023
 - ✓ Phase 2-Design, layout and execution
 - Landscape lighting WA BLVD-Completed May 2023
 - Observation Ave detention pond cleanup-Completed June 2023
 - Sundown Court refresh-Research cost
 - WA Blvd refresh-Research cost
 - Gazebo trail refresh-Research cost
- To help research, facilitate and coordinate projects the Board is always looking for volunteers to serve on our standing committees. If you have an interest in volunteering your time, please email us at board@sunsetcove.org.
- As the weather warms up and your landscape becomes a priority, should you need a landscape maintenance company please reach out to the Board for recommendations. Listed on page 9 are local contacts used in Sunset Cove

Neighborhood Updates

- **General**-As summer begins, and daylight savings time starts our days will begin to seem longer with more daylight into the evenings. With more time for outdoor activities let's be mindful of the speed limit in our community which is 25 MPH. We've also got kids and adults playing in the streets which supports driving at the speed limit or below.
- **Habitat for deer**-We all enjoy seeing deer in the immediate area. That said, let's not make it a practice to feed them. Rats, mice, etc. also like what deer eat; let's avoid an infestation of rodents.
- **Pickleball Courts**-For those of you that enjoy the game of pickleball there are 10 covered courts located at the Blackburn Pavilion in Mount Vernon, 2405 E College Way. Free and open to the public on a 1st come, 1st serve basis. You can also join the Skagit Valley Pickleball Club which gives you access to tournament play and other pickleball related events. For local play in Anacortes there are 4 courts located at Clearridge Park, 4436 Blakely Dr, Anacortes 98221.
- **Trash disposal and pick up**-Friday is trash pick up day for our neighborhood. Let's respect the appearance of Sunset Cove and bag all trash for pickup. Let's also be mindful of returning trash cans to an area on your property not visible to the public. For large trash and debris removal you can also use the following facility:
Skagit County Recycling and Transfer Station
14104 Ovenell Rd
Mount Vernon, WA 98273
(360) 416-1570
- **Tent caterpillars**-A seven year cycle of the insects is peaking right now, leaving residents scrambling for remedies. While caterpillars are not uncommon, this year's infestation seems to dominate our trees, sidewalks, roads and home exteriors. Below is a link to a King 5 excerpt on tent caterpillars in Skagit and Island counties.
<https://www.king5.com/article/tech/science/environment/caterpillar-invasion-underway-skagit-county-island/281-726ee29f-d840-4138-9cba-2515b699ad8d>

Summer Cookout Tips and Hacks

Essential Grilling Tools and Accessories

- BBQ thermometer for just the right temperature for all meats
- Charcoal starter can or electric charcoal starter
- Wood chips to increase flavor
- Internal smoker box for the taste you are craving
- Grill rotisserie for evenly done hard to turn meats
- Infrared searing burner
- BBQ griddle
- BBQ ready pizza stone
- Grill tool set
- Grill cleaning tools
- Grill rack and roaster
- Grill basket
- Apron and gloves

Essential Grilling Supplies

- Propane and spare tank
- Charcoal
- Wood chips

10 Tips for Excellent Summer Grilling

- Start with a clean grill. Grills tend to clean up easier when the grill is still warm
- Don't move or flip food unnecessarily, it leads to overcooking
- Don't squeeze or flatten meat, it depletes the juices
- Have a spray bottle handy for flare ups
- Use a meat thermometer and guide for the correct food temps
- Avoid putting cold or frozen food straight onto the grill. Your food will cook evenly if it sits for 30 mins and thaws to room temperature prior to cooking
- Undercook foods slightly to compensate for carryover cooking. Your food will continue to cook for a short period of time after removing it from the grill
- Rest all meat before slicing and serving it. The juices need time to redistribute themselves throughout the meat
- Don't over-char food to cook through meat with bones
- Stay organized when serving a group. Keep track of what food went onto the grill 1st, 2nd, 3rd etc

Experience Anacortes

Anacortes

Travel prep demands both planning and dreaming, and Experience Anacortes is your guide to get started doing both. Read on to discover some of the many things you can enjoy while visiting this vibrant seacoast town.

Anacortes, the crown jewel of Fidalgo Island, is conveniently situated halfway between Seattle & Vancouver BC, and is the destination point for the San Juan Islands and International Ferry runs. The island is known for its historic waterfront, 50-miles of hiking trails, and a mix of annual festivals.

Its year-round music scene is lively and visitors can soak up a range of tunes from rock to bluegrass to jazz at outside venues during the summer and restaurants and bars throughout the year. The culinary scene is ever-growing and you'll find a variety of restaurants with farm-to-table menus, scratch and house-made ingredients, and their specialties like BBQ, fusion, and rustic scratch.

Experience Anacortes-Parks and Recreation

ANACORTES FOREST LANDS

The Anacortes Community Forest Lands (ACFL) is approximately 2,800 acres of forestland owned by the City of Anacortes in several large tracts. Within city limits, find forested hills, lakes, streams, wetlands, and meadows. Twenty miles of trails provide public access to the forest lands.

There are nine loop trails for horses, motorcycles, bikers, and hikers. Some areas are limited to specific user groups. The changing terrain and trailside viewpoints provide panoramic views of the surrounding area. Trail maps are available at several local businesses.

DECEPTION PASS STATE PARK

This park is a 4,134-acre marine and camping park on three different lakes with 77,000 feet of saltwater shoreline and 33,900 feet of freshwater shoreline surrounded by breathtaking views, old-growth forests, and abundant wildlife.

CAUSLAND PARK

Causland Park was built in the 1920s by John Baptiste LePage to honor Anacortes veterans from World War I to the Vietnam War. It has extensive ornate rock work and is on the National Register of Historic Places. The park, surrounded by low serpentine mosaic walls, has a bandstand, amphitheater, and terraces made of colored pebble and rock mosaic. Other park features include picnic tables, mature ornamental plantings, and a small grassy lawn.

CRANBERRY LAKE AREA

This heavily forested site near the city center contains Cranberry Lake (approximately 27 acres) and several other small lakes and bogs. The terrain varies from flat to steep slopes. This area has an extensive trail system.

ALICE PARCHMAN NEWLAND PARK

A 10-acre linear park and street median developed along the R Avenue access road from Highway 20 into Anacortes waterfront industries and recreation areas. The south end contains the Smith sculpture, and the north end of the median widens to accommodate the Ben Root Skate Park. The 7,500 square foot concrete skate park has parking, a drinking fountain, lights, seating, and a restroom nearby.

SEAFARERS MEMORIAL PARK

The Seaman Memorial is located at the Cap Sante Marina. Parking, picnic tables, a promenade, and beach access with a stunning view of Fidalgo Bay are all available.

VOLUNTEER PARK — KIWANIS MEADOWS PARK – DANIELS FIELD

This sports field complex includes three baseball fields and a soccer field. The Kiwanis Meadows area is a full-size soccer field/open space with trees that provide a meadow-like atmosphere. The Alton R. Daniels and Volunteer fields are regulation baseball fields, while the Marguerite and Don Daniels field is artificial grass. The newest addition to the park is the Doug Colglazier Playground featuring play equipment, a covered picnic shelter, and a full-size basketball court. When completed, the Rice Complex will include a football and soccer stadium, a 400-meter surfaced track, and other related amenities.

MOUNT ERIE PARK

Mt. Erie Park spans 160 acres. At the top of Mt. Erie, elevation 1,270 ft, choose from four viewing areas and be rewarded with spectacular views in all directions. Mt. Erie is Fidalgo Island's highest point and is part of the former Anacortes watershed. There is a small parking area as well as a road that leads to the summit. Trails from this area lead into a portion of the Anacortes Community Forest Lands covering 1400+ acres.

ROTARY PARK

Rotary Park is a 1.5-acre linear park located on the north and east edge of the Cap Sante Boat Haven at the base of Cap Sante. Rotary Park has a paved pedestrian trail out to the Cap Sante breakwater, picnic tables, and a shelter. A nine-hole disc golf course at Rotary Park was made possible with support from the Anacortes Parks Foundation, the City of Anacortes, and the Rotary Club. The course is a challenging short par-3 course with many obstacles.

SHARPE PARK & MONTGOMERY-DUBAN HEADLANDS PARK

A 110-acre park has the most undeveloped waterfront on Fidalgo Island. Highlights include a freshwater beaver pond and stunning views of Rosario Strait. A short 3/4-mile walk through old-growth firs, madronas, and lichen-shrouded trees take you to sweeping views of north Puget Sound. Kids will enjoy walking first along the trail by a large pond filled with widgeons, mallards, cattails, and red-winged blackbirds.

ACE OF HEARTS ROTARY PARK

The fenced dog areas include off-leash dog areas, one for large dogs and one for small dogs, plus water for the pets, pet waste disposal bags, and portable restrooms. The City of Anacortes Parks Department, Anacortes Rotary Club, and the Anacortes Little League worked together to develop a new baseball field. Ace of Hearts Rotary Park also includes wetland improvements, a parking lot, trails, and a creek. Dogs must have current vaccinations and a license.

Experience Anacortes-Historic Skyline Marina

Nestled on the Northwest side of beautiful Anacortes WA, the Skyline Marine Center and surrounding Skyline community has a rich and fascinating history. Currently one of the fastest growing communities in Anacortes and the surrounding areas, Skyline was originally home to WF Industry-Mills.

Opening its doors in Skyline in 1924, WF Industry-Mills was one of the largest wood mills in the Puget Sound. Exemplified by its (at the time) state of the art drying and milling facility, WF Industry-Mills was a staple of the wood milling industry of the Pacific Northwest. Unfortunately, union strikes forced the mill to close in 1952.

Even though it's been over 60 years since the mill was in operation, its footprint still finds a very useful purpose today. The area that once featured the main mill building now provides homes for 5 different condominium buildings. The one-of-a-kind dry and milling building still stands today and sees regular use by the marina for indoor boat storage.

San Juan Islands

About the San Juan Islands

Say farewell to worry and stress and say hello to the mellow islands vibe, a temperate year-round climate, and long, lazy hours of doing just what you want. Count on temperatures around 70° in the summer and 40° in the winter. A happy confluence of weather systems also accounts for the high level of air quality you'll appreciate across the San Juan's. So, relax—you're on "island time" now!

WSDOT Ferry System

If you're heading to the islands plan ahead!

Washington State Ferries

Getting here is half the fun aboard a Washington State Ferry! Take a scenic ride through the islands as you make your way to your final destination. You can drive your car right onto the boat, or board as a foot passenger and simply walk on. The ferries run year-round and there are several sailings each day to and from each of the four main islands - Lopez, Orcas, San Juan, and Shaw. An [interisland ferry](#) allows island hoppers to travel between the islands and an international ferry offers service to Sidney, B.C. March - December.

All San Juan Islands ferries depart from the Anacortes Ferry Terminal located at 2100 Ferry Terminal Rd, Anacortes, WA 98221. Allow a comfortable 2 - 3 hours to enjoy the drive and the scenery from Seattle or Vancouver B.C. Make sure this includes enough time to arrive 30-minutes before departure for your reservation check-in.
